# NOVEMBER 18<sup>TH</sup>

Colleen Raye Production Co present a  
**Holiday Concert for Ruth's House**

Christmas is a time we all want to hear those cherished songs that bring a wave of nostalgia. Most of the popular Christmas songs were made famous in the 1950s and this show brings them all back. The Lennon Sisters, Andrews Sisters, McGuire Sisters and the King Family were a part of every family's Holiday and still are in many cases. "The Girl Singers of the Hit Parade" encompass this warm family feeling with their Christmas Show. Admission is free. **A freewill offering will be collected for Ruth's House.**
